## **3<sup>rd</sup> Month Forum**

### **Envisioning the Future: Cities & Adaptation to Climate Change**

Tuesday, April 29, 2014  
9:00 AM – 12:30 PM

**Metropolitan Water District of Southern California**  
Room 1-102, 700 North Alameda, Los Angeles, CA 90012

The 3rd Month Forum is a public event series to explore climate action efforts in the Los Angeles region.

The second 3rd Month Forum will highlight:

- **Adaptation and the Urban Environment**

In preparation for the Mediterranean Cities Conference, the Council for Watershed Health will moderate a panel highlighting the essential role of city-to-city networks to adapt to climate change.

- **California's Environmental Future**

Louise Bedsworth, Deputy Director of the Governor's Office of Planning and Research will be present to discuss the Draft Environmental Goals and Policy Report (EGPR).

Please **RSVP** at <https://larc3rdmonthforum2.eventbrite.com>

*This event is free and open to the public. RSVP is requested by April 25. For more information contact [larc@ioes.ucla.edu](mailto:larc@ioes.ucla.edu).*
